For the attention of Tricia Putbrese

29 October 2004

Dear Sirs,

Further to our recent discussions, we would confirm that due to significant raw material increases and the level of the US Dollar exchange rate, it has become necessary to increase our prices by 5% from 1st January 2005.

We trust you will appreciate our position and will do all we can to to maintain our prices for at least the forthcoming twelve months.

Your faithfully,
Endecotts Limited
